MEMORANDUM FOR: Director of Security

SUBJECT: 87th Congress, 1st Session, H.R. 6183 - A Bill  
to Provide that the President Shall Designate  
One Agency of the Federal Government to Conduct  
All Security Investigations of Civil Officers  
and Employees of the United States and of  
Persons Who Apply for Employment as Such Officers  
and Employees

1. By memorandum of 26 April 1961, you indicated that although similar bills and proposals concerning the designation of a single Federal agency, or center, in the Executive Branch to conduct all security investigations of civil officers and employees, have been advanced in the past without success, you desire to be certain that the Agency takes whatever action is necessary to except this Agency from such legislation. In response thereto, the following information is provided for your file.

2. On 17 April 1961, we met with Mr. Charles E. Johnson, Staff Director, House Committee on Post Office and Civil Service, concerning this item of legislation and other similar bills that may be proposed during the session. We were advised that this item has not been scheduled for action by the Committee and that this bill, and any other similar legislation, will not be acted upon by the Committee during this session. If any change should occur in this policy, we will be advised by the Committee staff in ample time to make our desires known to Congress.
